Jason opened the meeting.

Present were Jason, Lisa, Steve S., Scott and Tim

Steve S. moved to remove Steve O. as Bridging the Gap Chair due to his behavior. Scott second. Discussion was that he is unaccountable to district and abusive of other members in and out of the program. The abuse has led to one "no contact order", two pending and 2 criminal charges. One of the pending no contact orders is from a professional at Heritage. Motion passed.

Lisa moved to end the Bridging the Gap program. Scott read a letter from a professional at Heritage Behavioral Health that the clients are required to find a twelve step program to go to upon release and AA doing it is unnecessary. That applies to any federally funded program. Discussion was that in Illinois, probation requires 12 step work from prison release. Most of the prisons in our area do not house prisoners from our area. Scott second. Motion passed.

Meeting adjourned
