Group reports given:

Old Business

Tabled putting more money into literature until next meeting.

Steve estimates \$300 seed money will be needed for the area meeting.

Discussed reasons why the district participation is down. Consensus was that we need to let others know that area is good service and make members aware of the opportunity to serve.

New business

Scott moved to put \$250 into literature. The increase in the minimum order and the increasing cost of literature have made it very demanding to have an inventory of literature and make orders when some of the materials run out not exactly as predicted. Judy has worked hard to balance this and needs an infusion of money to ease up the pressure. Motion passed.

Spirit of rotation results are: Steve S. DCM; Billy C. alternate DCM; Jason K. Secretary; Lisa C. Treasurer; Linda H. Grapevine; Lisa C. Cooperation with the Professional Community and Public Information; Tim C. Webmaster; Judy B. Literature.

Lisa moved to discontinue Bridging the Gap.

Meeting adjourned.
