DCM: Jason and Steve attended the area assembly in Urbana on December 11. Paula gave her delegate report and Becky B. shared some of her experiences of being area chair. Steve and I attended DCM College where we talked about good sponsorship of new members to get them involved in service. The motion to have only three area assemblies per year was voted down. District 11 took up the opportunity to host the 2018 Illinois State conference. We also have the area assembly in June of 2017. I hope we can work together in getting the area assembly and the state conference put together. Thank you everyone for allowing me to be service for district 11. I enjoyed every minute of it. I hope I can take what I learned here and be helpful to others at area assemblies. Grateful to Serve, Jason K.
