Web Report for District 11 Novmber Business Meeting- Tim C.

"I would like to thank you all for the opportunity to serve as District 11 webmaster. It has been my privelege to serve [] for the last 5 years. I have contacted GoDaddy regarding moving our website to a new platform. It would involve purchasing hosting from GoDaddy with security with WordPress installed and transferring our domain name. This would allow us to add the 'Meeting Guide' plug-in. It would give our online meeting guide a new and improved look (see https://www.aa-district14.org/meetings/) as an example. As well as allow mobile users to access our meetings using the 'Meeting Guide' app, which has recently been purchased by Alcoholics Anonymous World Services, Inc. (see https://www.aa.org/pages/en US/meeting-guide). This move would also allow [us] to install many other plug-ins such as accepting payments, adding form builders, title management, and better analytics, some of these are free and some have a cost. Their representative informed me that the cost for managed WordPress with security would be \$168.33 per year. The domain registration would be additional at approximately \$18.00 per year. There would also be a domain transfer fee of approximately \$8.00. For a total of \$189.33 for the first year and \$181.33 annually after that. Our last [] yearly bill for WordPress.com (an online website builder) was \$48.00 and Domain registration fee of \$18.00 for a total of \$66.00 annually. The difference would be \$115.33 annually. Also note we could stay with our current platform and upgrade to a business plan on sale now for \$264.00 annually (the Domain fee would still apply). Working with either [] is virtually the same, we use GoDaddy hosting opion at the area level. Anyone with some computer knowedge should be able to work with either. However, the addition of the 'Meeting Guide' plug-in would make updating and maintain[ing] the meetings on the website much easier. In my opinion the move to GoDaddy would be a good one, but I will continue to serve either way. On a side note if anyone is interested in the webmaster position at the next election, helping with the transition would be an excellent time to get involved as a co-chair. Respectfully submitted. Tim C. District 11 webmaster."
