

## DCM Report for June Business Meeting

SUBJECT: Area Assembly June 2, 2019

- 1) Minutes were read from the March 24<sup>th</sup> Area Assembly and were passed (see handout)
- 2) Financial report was read and passed (see handout)
- 3) Bobby D the Area 21 Delegate, talked about the 69<sup>th</sup> General Service Conference. He informed us what took place and what passed, failed, or took no action of items on the docket (see handout). Also, the main idea carried away was Attraction through Action. My take on this concept was putting the principles of AA into action so people and the professional community would identify with the help AA could provide if it was sought and the availability of the program.
- 4) Registrar Annie K resigned from the position due to health problems, which prompted (by guidelines and vote taken by the AA Service Manual) an election of a new Registrar. After a lengthy vote, the new Registrar is Ann L.
- 5) Topics of donations by GSRs, DCMs, and officers of \$8.06 to GSO for expenses for each AA member were discussed and tabled to next Area Assembly
- 6) Bid was won by District 11 to host the June 2020 Area Assembly. Let's get the word out that we will be needing service commitments from ALL of District 11
- 7) Mileage for the trip was 274 miles, this being submitted to the Treasurer

In service,  
Bill D
