Help prepare our Area 21 Delegate to represent us at the conference! The GSC agenda summary was emailed to the Area 21 membership 2/6/22; the background information for each GSC committee agenda was emailed to the Area membership on 2/16/22.

So that all who wish to participate in this process can, most GSC agenda items will be discussed at two individual committee meetings: one on Zoom, another in person on April 2. The committees will report the results of both meetings at a hybrid session at the close of the workshop.

The Zoom meeting schedule is below; each will be posted on the Area 21 Website under Events:
