Most Meetings are Non-smoking.

* “Closed” meetings are only for persons who have a desire to stop drinking. When considering attending “closed” meetings, individuals are asked to apply AA’s third tradition: “The only requirement for membership is a desire to stop drinking.” A.A. makes no determination as to who qualifies for membership.

What Is A.A.?

Alcoholics Anonymous is an international fellowship of people who have had a drinking problem. It is nonprofessional, self-supporting, multiracial, apolitical, and available almost everywhere. There are no age or education requirements.

Membership is open to anyone who wants to do something about their drinking problem.

AA Preamble

ALCOHOLICS ANONYMOUS

is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions.

AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics achieve sobriety.

The Serenity Prayer

God, grant me the serenity to accept the things I cannot change, Courage to change the things I can. And the wisdom to know the Difference.

Responsibility Statement

I am responsible...

When anyone, anywhere,
reaches out for help, I want
the hand of A.A. always to be there.
And for that: I am responsible.
