## About the Event

This meeting is an open forum each month where we have a Concept presented by a past Delegate, followed by a topic or speaker and discussion.

For this month's meeting, Concept One will be presented by Area 21 Chair, Tom Hensold (A21/P73).

Don Miller (A10/P49) will lead a presentation/discussion on why the Concepts are important, why Bill wrote them and how they apply to the entire A.A. structure, not just the GSB. Don is a past Non-Trustee Director on AAWS and past General Service Trustee on the GV Board. He was with us for a presentation last year and has graciously agreed to return and get our year started off.

I am very excited to hear these presentations, and I think it will be a great hour of AA information and sharing.

This meeting is open to everyone, so if you know someone interested in attending who is not on our Area mailing list, feel free to invite them. Please note that the login is different than usual due to the change in the date: For any queries or further information, please contact your delegate at: [jodibsia21@gmail.com](mailto:jodibsia21@gmail.com)
