1. Reduce and eliminate the backlog of requests for Registrar Services; currently 39 messages requesting new action or following up on requests in progress.
 - Meeting change requests
 - GSR and DCM listings on Fellowship connection
 - Group status on Fellowship connection
2. Continue to maintain email groups:
 - Work with each DCM and District Service Committee Chair to maintain their email group.
 - Encourage DCMs to share contact information of District Service Committee chairs to provide information enabling their registration in Fellowship Connection.
3. Pursue Data Integrity.
 - Share lists with DCMs to ensure Area lists match the status of District lists.
4. Continue to maintain the flow of information between Area Delegate and Area Chair with groups, districts, and service committees.
