

District: 11 - Sunday, June 07, 2026.

The following important things occurred:

- We had a change of committee chairs. Mike G. stepped down as corrections chair.
 - Bill D. rose to the challenge!
- Sammie H. was voted in as CPC chair.
- A new group was formed “The Book Bunch”
- Decatur area has a ISCYPAA bid committee C.I.A.PAA (Central Illinois area)
 - The first event is Jun 20th!

We faced these challenges:

- None to speak of.

We carried the message by:

- District 11 has 44 meetings in 11 cities.
- Our PI chair Jacob is active in keeping literature racks full within the district.
- Our website chair Chris is keeping our website aaci11.org up to date to keep the groups and members and newcomers informed of events and meetings within district 11 and area 21.
- The corrections chair is actively taking meetings into the correctional institutions in district 11.
- Decatur intergroup is taking meetings into treatment centers. And hosting events
- We recently renewed our website hosting for 3 years, at a cost of \$972 in January.

Our Current goals of district 11 are:

- Reach out to young people and encourage participation in AA.
- Look for other ways to connect with our fellowship and reach the still suffering alcoholic.

Other things we want to share:

- We look forward to working with Area 21 committee chairs and other districts to help us achieve our goals.

Notes and insights:

- Find a way to explain District, Area and GSO to more people in AA.
 - I visited several district groups.
- More fun events in AA.
- What can we tell members what District, Area & GSO do for members?
- Usually about 20 plus come to district meetings.
- Meeting attendance varies quite a bit with some getting up to 40 and some with 2 to 3.
- District 11 is very fortunate to have so many dedicated members involved in service. Thank you.

Respectfully submitted.

Tim C.
