Readings

Declaration of A.A. Unity

This we owe to A.A.'s future: To place our common welfare first; To keep our fellowship united. For on A.A. unity depend our lives, And the lives of those to come.

Reading of GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A. We realize the ultimate authority is a loving God as He may express Himself in our Group Conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our group and A.A. as a whole.

Tradition 8 (long form)

Alcoholics Anonymous should remain forever non-professional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we may otherwise have to engage nonalcoholics. Such special services may be well recompensed. But our usual A.A. "12th Step" work is never to be paid for.

Concept 8 (long form)

The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of over-all policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.
