I am interested in serving Area 21 as Area 21 registrar. I have 7 years sobriety. My service history is:
GSR for New Beginnings Group, Troy
District 18 Newsletter Committee
District 18 Newsletter Chairperson
District 18 DCM
As DCM, I've learned and utilized the Fellowship Connection to help groups in our District 18 update their group status from inactive or unknown to active. I visited these groups to inform them of their group status, and let their group conscience decide what their next action should be. Currently, District 18 group status is up to date.

Thank you,
John Gaubatz
