At the meeting:

Not much took place with the Literature Committee since the June 2026 Area Assembly.

I did attend the Illinois State Conference in Oak Brook in August, and lent my assistance to the Literature personnel for A19.

In conjunction with the Litchfield Monday Night "A Day at a Time Group" I did an experiment to do a mini Literature presentation to the group because they generally have a lot of newcomers in attendance. The evening went reasonably well with participation by both the older and new AA members in attendance.

I am available to help your district in any way I can, either at your routine meetings or at a special workshop, even if I have already visited in the past. Just let me know how to help. I can set up shop and give a 3-to 5-minute presentation on some of the literature that is available and how it can help both individuals and groups. Please contact me to do so. Thanks!

Upcoming Events/Workshops or Conferences to announce:

We are trying to get a combined Literature/GVworkshop set up with District 17 possibly in November, but nothing is in place at this time.

Our next meeting will be: _____
